Westpac Helicopter Rescue

On any one day the Westpac Rescue Helicopter can be tasked to search for a missing bushwalker, extract an injured fisherman from a trawler or attend a road accident, sometimes all in a single day. Hopefully none of these things are happening during the Seafarers' and we get to see a real live demonstration of a rescue at sea.

Hold on to your hats!!
1.30pm just off the Bellerive Boardwalk

Blindfold Challenge

Watch members of the Hobart Hurricanes try to direct their blindfolded rower around a short course.
